OSHKOSH OUTING

Our tour begins as we board a deluxe motor-coach and travel to Winneconne for a relaxing luncheon cruise aboard the *Fin 'n' Feather Showboat II*. In the great tradition of the old river-boats, the Showboat brings us a refreshing taste of the leisurely past and a wonderful view of the Wolf River and Lake Butte des Morts. Next we head to the Algoma Boulevard United Methodist Church in Oshkosh, home to a collection of over 1,000

nativity sets from around the world. Our final stop of the day finds us at the Oaks Candy Store, a beautiful Bavarian type chalet, famous for their hand dipped chocolates. We gather our chocolate treasures and are on our way home.
